

With ArchiSuite, Cigraph intends to provide ArchiCAD users with a set of customizable features to make their work easier. The ArchiSuite program allows you to use and edit any, even the most complex drawings and models; All this is in a single interface, which greatly simplifies the work. ArchiSuite also allows you to import drawings into ArchiCAD from any other program. ArchiSuite provides easy access to all features. Through contextual tabs, ArchiSuite provides quick access to controls such as layers, model and object layers, as well as ArchiCAD commands and other features.
