

Injustice: Gods Among Us Ultimate Edition expands the bold new franchise into the fighting game genre from NetherRealm Studios. Includes six new games. In the Injustice universe, the game combines characters from the first and second parts, as well as from the fighting game Injustice: Gods Among Us. It will introduce a "story mode" system that will allow players to complete additional missions without having to spend money on games. Injustice: Gods Among Us Ultimate Edition offers both new content and previously released games previously available separately. In addition, the game will allow players to create their own character collections.
