Brought to you by the brand new multi-award winning development studio DAZED Studio, the proud developer of the acclaimed LittleBigPlanet series. - Play as a Hero Tarnished is an action RPG in which you gain influence as an Elden Lord and become one of the characters in the game. - Entirely Customizable The appearance of your character is completely up to you. You can change the hairstyle, clothing, and armor. With the Photo Mode, you can even use the game's photos to customize your appearance. - An Epic Story Told in Fragments A multilayered story in which multiple stories intertwine and you have to solve various dramas in the Lands Between. - An Epic Drama in a Parallel World Create your own Elden Lord in a parallel world where several kinds of characters reside. You can freely combine the weapons, armor, and magic that you equip. - A Unique Online Play that's Asynchronous Through a unique online element in the game, you can feel the presence of other players and travel together. - Diehard Fan's Game, with Just as Much Love as KID'S STORY It is a game developed by a small team from DAZED Studio, a developer that has received a lot of acclaims for LittleBigPlanet. It is a game that you have to create your own story, unlike other RPGs. - A Game for Everyone - KIDS, TOYS, MUD, ROOTS, AND ANYONE ELSE In addition to having a strong visual and interactive appeal, the characters and story have also been made easy for younger fans to understand, as the game is designed to be taken down for easy playing. We are thrilled to announce that our development team have completed the main story content of the game. In Tarnished, the story begins with the two characters of main protagonist Immenra, a rugged yet polite boy, and the cunning yet kind-hearted girl named Nutra, as they travelled through the darkness of the forest to discover the origin of the forest, taking part in the legendary adventure of the legendary Elden Lords, such as Nectario, Ulcia, Mimin, Cervario, and Ulquicum. The main story will be concluded in the Royal City (which is an upperworld that can be accessed by connecting to the Hearts of the Elden) - which will also be

"The game has a variety of items that are easy to learn and use but are extremely powerful. You can also customize your weapons and you can level up your character." - "It has the best battle system in the RPG genre, and the few times I had a problem in battle I was able to solve it immediately. It's really that simple." - "The dungeons are great and provide a good challenge, but the story is also really good. When you're in the meeting scene of the quest, we were really able to see the Elden Ring 2022 Crackers and how their power and knowledge is their strength. If I had to describe the different parts of the game, I'd say the story is at the center and the battle system is at the periphery, but just because the story is the center doesn't mean it's boring. It's quite the opposite." - "It has a story that is unique to the Lord of the Ring world, and the main characters are extremely interesting. The action is quite engaging." - "It is an RPG that creates a great atmosphere and uses a rich story to advance your development in the RPG genre." - "You can use over 300 types of weapons in this game, and you can form different combinations of your own." - "The battle system is easy and fun to play, even though it's difficult to explain." - "The game has a great aesthetic. The designs are well thought out and each of the characters have their own personality. I love the graphics." - "The music is great, and the variety of sword and magic interactions and the various dungeons are all great. It's really unique." -
