Fifa 22 Features Key:

- Real Madrid's Cristiano Ronaldo can now score and create game-winning goals in UEFA

Champions League fixtures.

- Aquatic Battles - Take on opponents in customised 5v5 team challenges on a dynamic pool map with new control options for the first time in FIFA.
- Regenerating Team Experience (RTX) - "Our World is Your World" returns in FIFA 22, raising the stakes in team game scenarios and challenging the advances in game modes and features that have been made over the years.
- Network Passes - The cloud server updates players with controlled passes that are unpredictable and penetrative, but featured sparingly to ensure a more authentic and intelligible experience.
- Dynamic Sides - Includes the ability to choose your captain and watch your squad play out different scenarios on the same starting eleven.
- New formation system - Includes an enhanced formation system that allows players to build creative and attacking combinations while seamlessly switching to a new formation when required during play.
- Unprecedented Player Analysis - Intuitive Player Analytics aims to help you find and exploit strengths and weaknesses. Use analytics to work to your own playing style and take more chances when the time is right.
- Passing Flows - Employ on and off the ball passing options that help to empower the play, support your creativity and ultimately take your side ahead in the match.
